REQUEST FOR RECONSIDERATION

Commissioner for Patents, P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In response to the Office Action dated March 13, 2003, reconsideration of the above-identified application is respectfully requested.

REMARKS

Claims 1-24 are currently pending. Of these, claims 5-12 and 16-22 have been withdrawn from consideration. The Examiner's indication of allowable subject matter in claims 2-4 is acknowledged with appreciation.

The Office Action indicates that the Examiner disagrees with Applicants' statement that claims 13 and 23 are generic to both of species A and B. In the Office Action dated September 12, 2002, species A was identified as reflection-type optical elements and species B was identified as transmission-type optical elements. Since claims 13 and 23 do not specify whether the optical surface is provided on a reflection-type element or a
